

OLMAR FOR JOBS

Welcome to OLMAR an outreach ministry at Our Lady of Malibu dedicated to helping those in job transition. We held our first meeting last week. Those that attended were welcomed with spiritual words as well as coaching and resume review from a recruiting professional.

Olmars' purpose is to help smooth career transition and re-entry into the workforce and provide assistance in identifying employment opportunities to each person seeking assistance. The group does this with the help of volunteers offering mentoring, networking, training and spiritual support.

Meetings will be held twice a month. Check the bulletin as well as our website olmalibu.org and click on OLMAR for future dates.

We need:

1. Volunteers ~ If you have an expertise that would help, we'd love to talk with you. Please contact Denise at 818-522-7163.
2. Job listings. If you have job openings or know of a position, we will post them on our website. Please email the information.
3. Outreach. To let those in need know about this important resource.

With unemployment expected to continue to rise in the next year, OLM wants to be there to help. Please spread the word!
